

1. NOTE OF THE EMPLOYMENT PRIORITY

- **For candidates from Monaco and from Alpes Maritimes region**

In accordance with the article 4 of the common laws of Monegasque Collective labour agreements:

« The employment of the personnel will continue to be based on the needs of the work force addressed by the Employment office of Monaco and complied by dispositions in effect »

« In equal capacity, the preference will be given applicants working and living in Monaco and bordering villages. Every employment will be confirmed by a letter of commitment in which function of the employee will be distinctly defined as well as his category and wage ». One identification document will be required from the employee.

- **For candidates from other regions in France or from the European Union**

It is necessary to have a residence in Nice or Monaco. Procedure will be then the same that for regional applicants.

- **For candidates outside of the European Union**

On top of above, it is necessary to hold a valid French residence permit.

2. TRANSPORTATION

- **Car**

The parking places are very difficult to get and therefore sharing the car is recommended. A request must be performed to the closest parking or an agreement must be shared with another partner.

- **Train**

The train leaves from Mandelieu towards Vintimille following the coastline. Trains leave approximately every quarter from Nice railway station to Monaco direction. The length of run is about half an hour.

- **Bus**

Several buses go to Monaco: Number 100 leaves from Nice buses station (located near the place Masséna) and stops at Boulevard des Moulins close to the Casino square in Monaco.
